2 Join MiRewards

When you have made your qualifying purchase you will see your invitation to join MiRewards.

Sign with your e-mail address and your nominated password, then go to "MiAccount" → "Account Management" → "Autoship".

Simply select your favourite Miessence products and how frequently you would like to receive them through our AutoShip system. Choose monthly or bimonthly (every two months). You can change and choose what you receive in your order at any time.

3 Earn MiRewards on every purchase.

Your Autoship order earns you MiRewards points but if you want to do some additional shopping during the month, every additional product order earns you points.

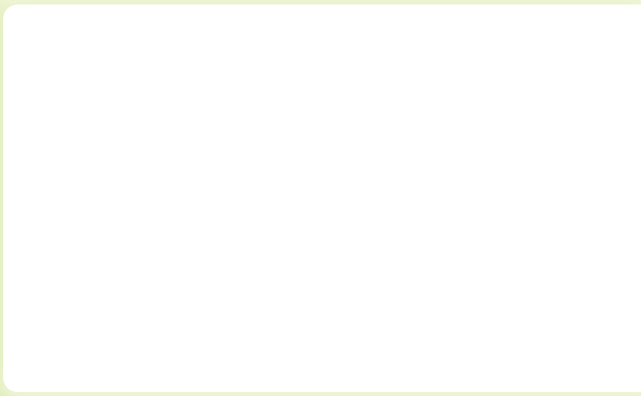

4 Redeem your points.

*When you redeem a free product using MiRewards, the point value of the redeemed product does not count towards your overall AutoShip point spend (example: 75 Point order including redeemed Ancient Spice deodorant = 68 points).
